Dear Parent/Guardian,

Re: School Community Notification Letter —Niverville Elementary School

Manitoba public health officials have advised of at least one confirmed case of COVID-19 in the school on December 2nd and December 6th in Grade 4 and/or Kindergarten when the individual(s) may have been infectious. The school is working closely with public health officials and is following their recommendations. At this time, there is no evidence of further spread in the school, and students can continue to attend school as long as they do not have symptoms of COVID-19 as listed on the following page.

isolate them from others.

It is recommended your child get tested for COVID -

A	B
Fever/Chills	Runny nose
Cough	Muscle aches
Sore throat/hoarse voice	Fatigue
Shortness of breath/difficulty breathing	Pink eye (conjunctivitis)
Loss of taste or smell	Headache
Vomiting or diarrhea for more than 24 hours	Skin rash of unknown cause
	Nausea or loss of appetite
	Poor feeding (if an infant)

Individuals with
